The Local School Wellness Policy Public Release/Information

The Local Wellness Policy is available on the school website www.p-t.k12.ok.us. The public is invited to contact the school with any questions or suggestions. Any new information, announcements, or developments regarding the policy will be posted on the school website.

Local Wellness Policy Stakeholders Awareness Policy:

The local wellness policy is currently being posted on the school web site. Any community member with questions or recommendations about the wellness policy is invited to contact the school and/or the child nutrition department.

Local Wellness Assessment Implementation:

The development and implementation of the wellness policy assessment is currently in process. This is a topic that school administration and/or the Healthy & Fit Advisory Committee will need to develop and implement. If you have questions please contact your school site or the child nutrition department.

Local Wellness Policy Reviewing and Updating Responsible Parties:

School administration and Healthy & Fit Advisory Committee will monitor and develop the local Wellness Policy. The policy will be reviewed periodically and amended and adapted as needed with consideration to input from community members, newly developing Oklahoma Department of Education and USDA requirements, and consideration that arise.

Local Wellness Policy Review and Update Policies:

A Healthy & Fit Advisory Committee is established at each site. The committee will meet annually or more often as needed. As interest is shown, additional parents and community members may be included for projects or discussion about program development.
