

## Welcome

The faculty and staff would like to welcome all new and returning students to P-T Intermediate School for the 2009-2010 school year. Fourth and fifth grade home rooms and sixth grade student schedules will be available on Tuesday, August 11<sup>th</sup>.

Our staff is very dedicated and committed to providing a safe, pleasant, and challenging environment in which all students have the opportunity to learn and succeed. We realize that this requires a joint effort among students, teachers, and parents, and we encourage positive, open, and on-going communication.

Due to construction at the junior high site, students will unload in the mornings on Second Street in front of the junior high gymnasium. In the afternoon buses will line up on both Second and Thomas Streets in order to load students. We are asking that car riders be picked up on Second Street south of the gate and student crosswalk. This new routine may cause some initial confusion, but we appreciate your patience and cooperation in order to keep our students safe.

Please join us at “Meet Your Teacher Night” on Tuesday, August 11<sup>th</sup> from 6:30 – 8:00. It is a great opportunity for you and your child to become familiar with the campus and teachers. Parents are also welcome to visit the school at any time during the year; we just ask that visitors always check in at the P-T Intermediate School office before visiting classrooms in order to help ensure the security and safety of our students.

I look forward to visiting with you personally and am anxious to assist in making this upcoming school year a memorable and successful experience for your child. Please call me at 405.547.5713 or stop by any time. Thank you for supporting our students, faculty, and staff.
